THE INSTITUTION OF HOMOEOPATHS KERALA

India's largest voluntary Professional Organisation, having its functional headquarters at Thiruvananthapuram, Kerala has been at the forefront of promoting Homoeopathy for the past 37 years (since 1987) and has been conducting Workshops, Seminars, Scientific Discussions and other Programs to promote Homoeopathy and erase the myths surrounding it.

THE INSTITUTION OF HOMOEOPATHS KERALA team comprises experienced and dedicated Homoeopathic Doctors, Researchers, Educators and Professionals across Kerala, who work tirelessly to provide quality healthcare to the masses through Homoeopathy.

The IHK aims to achieve the goal by promoting research, education, training and primarily the patient care by working closely with all the stakeholders thereby to expand the reach of Homoeopathy.

As part of the various activities IHK undertake, Kattakada Unit of IHK, is organising ACE, an International Conference (First International Conference and 102nd Conference) on "Innovation for Integration of Homoeopathy in Primary Healthcare" for two days on 30th November and 1st December 2024 at Mount Carmel Convention Centre, Cotton Hill, Vazhuthacad, Thiruvananthapuram.

This International conference interalia aimed at highlighting the health and cost benefits of Integrating Homoeopathy in Healthcare among all the stakeholders.

The Conference is being attended by internationally acclaimed experts in Homoeopathy from across the world.

Under the theme, Innovations for Integration of Homoeopathy in "Primary Healthcare" the plenary session will focus on the following thrust areas as sub themes:

- Efficacy and safety of homoeopathy to build a robust evidence base for their use in primary care.
- Methods for tracking patient outcomes when Homoeopathy is included in primary healthcare.
- Developing collaborative care pathways for Homoeopathy as a complementary option alongside conventional treatment for specific conditions.
- Establishing quality assurance measures to ensure that Homoeopathic Practice meet high standards of care and are effectively integrated into primary healthcare systems.

Our Conference Sessions will also focus newly Emerging integration of Homoeopathy with Veterinary Homoeopathy and Agro Homoeopathy.

The Conference also focuses to promote the trust potential of the state of Kerala Guests, Invitees and Speakers (National & International) include Experts from Homoeopathy, Modern Medicine, Software, Administration, Veterinary service, Agriculture and Political stalwarts.

Register, attend and join us to make Homoeopathy a renowned one.
